KOMAR ANCHOR PLUMBING AND DRAIN SERVICE PROVIDES PLUMBING SERVICES TO NEW CHILL-CAN FACTORY

November 8, 2017 – Youngstown, OH – Komar Anchor Plumbing and Drain Service, a local full service residential and business plumbing contractor, recently signed a contract to provide underground plumbing services to the new Chill-Can Factory in Youngstown.

The Chill-Can production facility and technology center in Youngstown is 350,000 square feet. Komar Anchor installed PVC piping for sanitary and water lines during Phase One of Building One, and provided all the plumbing and drain services for the first building.

The Chill-Can Factory is a \$20 million high-tech plant on the East Side of Youngstown. The factory will manufacture The Joseph Company International Inc.'s self-chilling beverage cans. The CEO is Joseph Mitchell, a Youngstown native.

“The Chill-Can Factory is an enormous investment in Youngstown, and we are honored to be working on this project,” said Komar Anchor Plumbing and Drain Service new Owner and President, Thaddeus Smith. Thaddeus Smith is also an adjunct faculty member at YSU since 2011. He was awarded Outstanding Alumni at YSU’s College of Business and also sits on the Business College Awards Committee.

Founded in 1966, Komar Anchor Plumbing and Drain Service offers a full range of interior and exterior plumbing services for businesses and residential homes, for both new and rehabilitated construction. Komar Anchor Plumbing and Drain Service works closely with general contractors on each job. Originally incorporated as Komar Plumbing Company, Inc., they merged with Anchor Plumbing and Drain Service in 2016 to form Komar Anchor Plumbing and Drain Service. The company is fully licensed, bonded and insured.
